

Soda Mitra

who is your best friend

Soda Mitra

When machine start SMS is gone to authorised number

When Machine stop different flavors and total consumption information

Each flavour information through the SMS

Information for total consumption of soda daily

Now each soda shop accounts in your mobile for more information call us at : **9227178116**

How it works

Machine startup SMS

Start the machine

SMS for machine startup

A,B,C,D,E,F,G = indicates flavour names
for example : A = orange flavour
0 = soda glasses

T = total glasses of soda with all flavours

At machine startup SMS is delivered for the yesterday's total soda consumption

SMS each flavour information

Message for current status

Sending SMS to authorised mobile number

A,B,C,D,E,F,G = indicates flavour names
for example : A = orange flavour
50 = soda glasses

T = total 325 glasses of soda with all flavours

From only one SMS you can know the status of soda machine with each flavour
